

NEW TOURIST OPTIONS FOR 2026

IN THE COSTA BRAVA AND GIRONA PYRENEES

The Costa Brava and Girona Pyrenees destinations have created new facilities, activities and tourism-related products aimed at various types of visitors in order to provide unique, exclusive and memorable experiences.

NEW EQUIPMENT, ESTABLISHMENTS AND SERVICES

Santa Clotilde Gardens Amphitheatre (Lloret de Mar). A new space for cultural and corporate events located in the Santa Clotilde Botanical Garden (included in the European Route of Historic Gardens, designated as a European Itinerary by the Council of Europe), with a capacity for 220 people. [Lloret Turisme](#).

Mirador del Llac (Vall de Núria). Mirador del Llac, a new observation point offering a panoramic view of the valley that is accessible only to skiers and users of the new exclusive snowshoe trail. [Mirador del Llac Experience](#).

New **Information Centre at the Capçaleres del Ter i del Freser Natural Park** (Setcases). Expansion of the network to include up to four visitor reception, interpretation and information centres in the Ripollès region.

La Casa del Mar (Llançà). New facilities to promote maritime heritage, sustainability and local gastronomy. Notable additions include the Punt Blau (Tourist Information Office), the GastroMar Space (Culinary Classroom), and the multi-purpose room for cultural, training and outreach activities.

New **Blandae Roman Town Interpretation Centre** (Blanes). Blandae was one of the cities founded by the Romans in Catalonia in the 1st century B.C. The new centre helps uncover the town's Roman remains and its evolution into medieval Blanes through archaeological finds. [Blandae Roman Town](#).

New cultural space at **Hostalric Castle: the "saw tooth casemate"** (Hostalric). A visitable space featuring a historical recreation of five spaces set in the context of the Peninsular War (1810). [Turisme Hostalric](#).

Colònica Cultural Centre (Calonge i Sant Antoni). A new multifunctional space housing the Calonge Tourist Information Point and the exhibition of the Calonge - Sant Antoni Wine Interpretation Centre.

Calonge Castle - Gavarres Space (Calonge i Sant Antoni). A new cultural centre created to promote the natural and historical heritage of the Gavarres. The exhibition is spread over four floors of the castle and is organised into seven thematic areas.

Renovation of the **Banyoles Regional Archaeological Museum** (Banyoles). New museography that covers 200,000 years of human presence in the territory and addresses the past with a perspective connected to the big issues of the present, including diversity, coexistence, climate and gender issues. [Banyoles Archaeological Museum](#).

Renovation of the **Llaudet Museum - Llaudet Colony** (Sant Joan de les Abadesses). Located in one of the neo-popular-style industrial buildings of the former Colònia Llaudet textile complex, which is a Cultural Asset of Local Interest. The fully renovated space revives the industrial impact of the factory and its surroundings through an interactive digital exhibition. [Museu Llaudet](#).

New facilities at the **Empordà Golf Club** (Gualta): the Golf Hub, a practice and game-improvement area featuring a TrackMan simulator; a 2,000-sq-m putting green area (one of the largest in Europe), and the Terraverda Spa, an immersive experience with a water area and other services geared towards restoring inner balance. [Empordagolf.com](#).

New space at the **Par3 Pitch&Putt Gualta** (Gualta). The Gualta Range is the new training area equipped with TrackMan Range, a high-precision radar technology that offers an interactive experience to players. It features 17 tracked shooting positions and allows you to play matches, compete and improve your technique in a fun and intuitive way. The area is completed with a chill-out zone and the A-Putt gastronomic space.

[Par3 Pitch&Putt Gualta](#).

Renovation of the **Niu de l'Àliga refuge and restaurant** (La Molina). Located at an elevation of 2,537 metres above sea level, it features a new outdoor terrace area connected to the Cadí-Moixeró cable car and an innovative greenhouse. An area adapted for people with reduced mobility and open to everyone: skiers, hikers and visitors.

Velòdrom Odeon Girona (Girona). The premium cycling shop offers a wide range of services, including a professional bicycle workshop, bicycle hire, organisation of themed events and tours, private guide services, bike fitting and massage or physiotherapy services. [Velodrom](#).

El Riad de l'Empordà (Capmany). A liveable garden in the heart of the Empordà region. A five-bedroom hotel in a rural setting offering wine tourism experiences, wellness and nature-based activities. The accommodation can be privatised and let in its entirety. [El Riad de l'Empordà](#).

Extension of **Cabanyes entre Valls** (La Vall de Bianya). Two new Alpine cabins with a private heated swimming pool (the first accommodation in Catalonia with the Passivhaus label). [Cabanyes entre Valls](#).

Renovation of the **Hotel Cala del Pi Beach Retreat** (Platja d'Aro). A five-star, adults-only hotel with 52 fully renovated rooms and suites. Introducing the new Almarí restaurant, with a distinctive gastronomic and culinary offering; the Lacalm spa, covering over 600 square metres and featuring an ice cave and infra-red heated deck chairs, as well as meeting rooms equipped for corporate events and private gatherings. It includes a chalet annex, SaLluna, with three luxury suites, a swimming pool, a pool bar and a signature cocktail bar. [Hotel Cala del Pi](#).

Renovation of the **Casamar Restaurant & Hotel** family hotel (Llafranc). Eighteen refurbished rooms complementing the gastronomic experience at the restaurant serving modern, locally sourced cuisine. [Casamar Restaurant & Hotel](#).

Renovation of the **Hotel Eetu Begur** Affiliated by Melià (Begur). An exclusive five-star adults-only hotel with around forty rooms, a Mediterranean restaurant, a heated outdoor pool, a spa, a sauna and a meeting room for private events. [Hotel Eetu Begur](#).

Esperit Roca Distillery and Cocktail Bar (Sant Julià de Ramis), from 2026. The "liquid cuisine" of El Cellar de Can Roca: from brandies, distilled and macerated liqueurs to fortified wines, fruit and legume fermentations, and beers. [Destil·leria - Esperit Roca](#).
